HS-M470

High Performance Headset

For your mobile phone with volume control

Hear studio-level authenticity and clarity from your favorite music with this pair of over-the-ear headphones from Genius, HS-M470. An in-line microphone and volume control are built-in, so you won't miss a call. An adjustable padded headband provides a perfect lightweight fit and noise-isolating environment, perfect for listening. The large 40 mm drivers produce rich booming bass, great for a full and personal listening experience. Even at low listening levels, these headphones offer remarkable clarity and performance. HS-M470 has two different patterns: Black/Red or White maze to fit your style. So pick up the HS-M470 and hear great sound from your mobile phone.
